

Speckled Nest

2 HOUR CLASS

In this fun, whimsical, collage/mixed-media workshop you will create an 8 x 10" piece of original art. In the 2 hours we will explore techniques in building layered backgrounds, acrylic paint texture, shading, 3-D paper sculpting and feature focus elements. Keep it simple or let your imagination take you away...this workshop is designed to be both a great starting point for the beginner and a creative springboard for the experienced artist.
