

# celebrate life 12 x 12 two-page layout (spread) - class time 1 hour

if you have ever uttered the dreaded, “i’m just not artistic.” or “i wish i could be more creative like \_\_\_\_\_” then this is the workshop for you! in one hour, this fast paced, free spirited, and no rules class is perfect to get those creative juices flowing. technique and style are the focus as you channel your inner picasso to create a 2-page multi-photo layout that celebrates the everyday goodness in your life.

## student's supplies

- sewing needle
- black journaling pen
- brown stamp pad
- stapler
- pencil
- paper trimmer
- scissors
- nine 2" w x 3"t black and white or color “everyday” photos

**note:** this class is also a great way to use some of the discarded photos
