

PAINT. watercolor. doodle.

8 page, 6x6 acrylic and chipboard album : class time 3 hours

Mix and match sizes, shapes, textures, colors, and mediums to create a bold and beautiful hand-painted and collaged mixed media scrapbook. As you experiment with color, each page will be immediately transformed into mini-masterpieces individually colored and designed by you. You will explore new techniques for using watercolor crayons, layering and collage for acrylic album pages, as well as, paint and doodling tips for taking your creative scrapbooking to the next level.
